Strengthen the Future of Health Education!

Every year GLC-SOPHE provides scholarships to students who wish to attend the annual GLC-SOPHE spring conference. This is made possible through silent auction donations. This year, we are asking for your help in the process. Please donate any new items to help future health educators attend the Spring Conference.

Items donated at the 2009 Spring Conference

Here's how to help:

1. Find an item to donate (this could be something from your agency or from you personally)
2. Contact Kristy Anderson—Phone: (989)670-2229 or email: ander8kl@cmich.edu
3. Know what item(s) you are able to donate and set up a time for it to be picked up or just bring it the day of the Spring Conference.
